Notes for Introduction to Business Statistics

Notes for Introduction to Business Statistics Sarah Thandi Dippenaar University of Vienna version: 20 May 2013 These notes are work in progress I would be very grateful for comments and identification of errors Please send these to me at: sarahdippenaar@univie.ac.at 1

Module 1: Introduction to Statistics

The Role of Statistics ! Despite the anxiety usually associated with statistics, data analysis is a relatively small piece of the larger research process !

There is a misconception that the trustworthiness of statistics is independent of the research process itself ...
