boosters hate, is the secret to permanently send-ing the thieves down the road Consider Gatekeeper Systems' Purchek™ solution as an example This system is designed to reduce pushout thefts, an industry term used to describe shoplifters who load shopping carts with high-theft items and simply push the cart out the door

Deception Operations

Deception techniques and methods, the need for thorough planning and security, and the great benefits that can result from deception are described. This book shows how the US Army's attitude changed from skepticism toward deception to one of advocacy as World War II progressed and the value of deception became clear. 5

Act of 1871

What this great deception means is that the members of Congress do NOT work for us, for you and me. They work for the Corporation, for the UNITED STATES. No wonder we can't get them to do anything on our behalf, or meet our demands, or answer our questions.
